

HOW TO SET UP YOUR ONLINE FUNDRAISING PAGE

One of the easiest ways to get started with your fundraising is to set up an online page and send it round to your family and friends so they can start the ball rolling with your sponsorship. It's easy to do and a great way to spread the word to all your friends, family and contacts and watch your funds grow. Here's how to get started...

Team Page: <https://www.justgiving.com/teams/HMTV>

Fundraising page: <https://www.justgiving.com/fundraising/HMTV>

You can create your page in just a few minutes, link to your Facebook page and even set yourself up as part of a team.

1. Click on the following link: <https://www.justgiving.com/teams/HMTV>
2. Click 'Join the team' next to Team Members
3. Select 'make a new fundraising page'
4. Search for the charity 'Nordoff Robbins (UK)'
5. Click on the 'Personal Challenge' tab
6. Complete the information in the form, create your page and you're good to go!
7. Once you are set up with your page, you can see how everyone else is getting on with their fundraising, and will be able to see a joint fundraising target and total.

In addition to your personal message on your JustGiving page, we'd be grateful if you could include a note about our Monster Auction, income from the auction all goes to the Heavy Metal Truant totals:

PLEASE NOTE! The Heavy Metal Truants don't just cycle. Each year we also host the Monster Rock Auction - the biggest rock and metal memorabilia auction in the world! Please keep checking back at www.heavymetaltruants.com for news and updates - we've got some amazing items lined up this year and every penny goes to the kids and young people who need it most.

TextGiving is a quick way to donate by mobile phone, don't forget to include the code on your emails, social media posts and training t-shirts. Donations go straight to the team page, not your personal page.

Get social!

Twitter and Facebook are great for gathering support, keeping everyone updated and asking for sponsorship. HMT branded Social Media posts are available for you to use, download the posts from our website.

Don't forget to ask sponsors to sign up for gift aid on their donations where relevant, as this increases the value of their gift by up to 25% at no extra cost to them or you!

If you are a UK taxpayer, any donation made to charity on which tax has been paid comes under the Gift Aid scheme. When you make your donation, the charity will then claim the tax back, which means they can do more with your money. UK charities are entitled to 25% tax reclaim from the Inland Revenue in every £1 donated by UK taxpayers. For example a gift of £100 would be increased to £125 through Gift Aid. Some charities have a form you have to fill out and enclose with your donation stating you wish it to be part of Gift Aid.

Do feel free to contact us for advice on how to set up your page.
